NEW!

Introducing - The HT-3000

A Thermo-Hygrometer from Delmhorst, which provides temperature, RH, Dew point and GPP (specific humidity). This meter is an ideal tool for IAQ/Mold remediation specialists, Restoration contractors, Home inspectors, General contractors, Flooring professionals and Woodworkers.

Outstanding Features include:

- Selectable Display Screens
- Fast Response Time
- Data Hold Feature
- Celsius and Fahrenheit scales
- Automatic power down
- 1 year warranty
- Rugged Carrying case

“For nearly 60 years, we have manufactured moisture meters to meet our customers needs in a variety of applications. We are pleased to offer a new product which can control the effects of humidity for various applications,” notes Paul Laurenzi, Vice President -- Sales and Marketing at Delmhorst.
